**00 64 27 414 7007   a.stent@xtra.co.nz   Auckland, New Zealand**

I've worked the last 15 years in the film industry on behalf of Equine Films, NZ Film Horses and John Scott Motion Picture Animals. During this time, I've worked across many types of productions, large and small and in a variety of roles from Horse Master to riding in costume, training horses, cast and more.

Alongside this I've trained recreational and competition horses in NZ and Canada. I've also competed in the sport of Team Roping for the last 10 years.

I enjoy working with both horses and people, I see myself as an honest and hard working individual who takes pride in my ability to organise, communicate, understand and safely deliver on set.
